PROFESSIONAL SUPPORT FOR EASY PROBLEM RESOLUTION? OF COURSE!

CENIT's support team provides reliable and uncomplicated assistance based on ITIL standards and an ultramodern support center infrastructure. Our long-standing experience guarantees rapid, high-quality problem resolution without impacting client resources.

The CENIT Support Center offers highly scalable, modular services to suit any individual requirement. Our portfolio ranges from time- and material-based framework contracts to support flat-rates and low-cost service contingents to free application support. Clients can also choose to outsource subtasks or individual IT processes.

Via our branch offices, we are right where you need us, nationally and internationally. Our local, multilingual support services guarantee rapid, individual reactions even to location-based issues.
